TAIPA Bulletin No. 19

To All Member Companies:

June 1, 1995 Rates

The Commissioner of Insurance has adopted new rates for insurance written through the Texas Automobile Insurance Plan Association which become effective June 1, 1995.

With this bulletin are rate pages for bodily injury and property damage liability by class and territory, personal injury protection, uninsured motorists bodily injury and uninsured motorist property damage. These were delivered to us today by the Commissioner's office.

We are hopeful to have a "machine letter" and rate bulletin from the Commissioner in the very near future. These will be sent to member companies as soon as they are available.

Very truly yours,

(Ms.) Margaret Alsobrook
Operations Manager
