**Amendment to TAIPA Plan of Operation**

At its March 22, 2019 meeting, the TAIPA Governing Committee approved an amendment to Section 36.A.1. a of the TAIPA Plan of Operation. After AIA and PCI merged into one organization, now known as the American Property Casualty Insurance Association (APCIA), the Governing Committee amended the Plan of Operation to account for this by deleting reference to AIA and PCI and providing that APCIA will select one insurer member. It has also added a new trade association – the National Association of Mutual Insurance Companies (NAMIC) -- to select an insurer member.

In accordance with the Plan of Operation, this amendment was submitted to the Commissioner of Insurance for approval. That approval has been granted under Commissioner's Order 2019-6147, effective November 14, 2019.

The revised Plan of Operation can be found on the TAIPA website at [www.taipa.org/find-a-document](http://www.taipa.org/find-a-document).

Sincerely,
