**TAIPA Bulletin No. 25**

**To All Member Companies, Producers and Finance Companies:**

**Acceptable Applications Effective July 17, 1995**

Please be advised that all applications received in the office of the Texas Automobile Insurance Plan Association July 17, 1995, and thereafter must strictly conform to all submission requirements outlined in the Plan of Operation.

In keeping with Section 6.A.1 of the TAIPA Plan of Operation, we will not accept an application that does not include an **original manual signature** of the applicant (as well as initials where required). We will accept **legible** xerox copies and computer generated applications from authorized vendors, as long as the applicant and producer signatures are originals. **We will no longer accept faxed applications, as they do not provide the original manual signatures.**

We request your assistance in this matter.

Very truly yours,

Bobby W. White  
Association Manager
