

To All NON-AFFILIATED MEMBER COMPANIES

For TAIPA Purposes – Non Affiliated Companies refer to any company that is not associated with the trade associations that place a member on TAIPA's Governing Committee. The insurance associations that place a member on TAIPA's Governing Committee are:

AFACT

APCIA

NAMIC

If your organization is not a member of AFACT, APCIA, or NAMIC, please review this email.

The following email is being sent as an addendum to Bulletin #250 in which we requested Nominations for the Non-affiliated Governing Committee Position.

We wanted to let all Non-Affiliated companies know that:

- Allstate has contacted TAIPA to let us know that Allstate will not be running for the Non-Affiliated position in 2023.
- TAIPA would like to maintain the Non-affiliated Governing Committee Position as we believe that it is important for the Governing Committee to have representation from companies that are not affiliated with APCIA, AFACT, or NAMIC. Having the Non-Affiliated Governing Committee representative on our board allows the TAIPA Governing Committee to hear from and consider the perspectives of our non-affiliated members on the various issues we consider every year.
- We would like encourage each Non-affiliated Insurer to seriously consider nominating itself for the Non-Affiliated Company Representative position on TAIPA's Governing Committee. We feel that this is the best way to ensure that the perspectives of the Non-affiliated companies continue to be heard and considered.

The Governing Committee meets three times per year and typically, the meetings generally only last a couple of hours. Governing Committee Members now have the ability to attend the Governing Committee via zoom as well as in person.

If you are willing to serve as the Non-Affiliated Governing Committee Member for 2023, please fill out page 3 of the attached Bulletin #250 and email it to Stacy Dutton at sdutton@taipa.org.

If you have any questions or concerns you would like to discuss about the Non-Affiliated Company Representative position, please contact me at 512-231-7271.

Thank you for your consideration.
